Quentin Quail wants to quack like his friend the **duck**.

He tries so hard to make that sound but simply has no **luck**.

He takes a breath and licks his beak thinking that will **help**.  
He puffs his chest and stomps his feet yet only blurts a **yelp**.

Quentin makes all kinds of sounds but nothing like a **quack**.  
He chirps and tweets and whistles too then falls on his **back**.

Laying there, he starts to smile,  
“I didn’t really **fail**.  
My whistle sound is super cool,  
I’m glad that I’m a **quail!**”
