Social Awareness/Relationship Skills & Traits:  
Social Awareness (diversity)

### **Discussion questions:**

Like the animals in the zoo, we are all different too. What are some differences between others and you? What do you like about your differences?

### **Comprehension questions:**

Help the students answer with support and prompting:

What animals live in the mountains?

What animals live in the savannas?

# **SERGIO SEAL LOVES THE ZOO**

Written by

L.A. Ricketson

Illustrated by

Ryan Sellers

Sergio Seal loves the zoo  
and all the animals in **it**.  
They come from different places  
all around our **planet**.

Mountains have wolves and hairy yaks.  
Jungles have toucans and **frogs**.  
If you go to a swamp my friend,  
you will see gators on **logs**.

The deserts are hot and covered with sand,  
but vultures don't seem to **mind**.  
The farms have horses and cows in them.  
I wonder what else you will **find**?

Savannas are full of zebras and giraffes  
and lions who sleep on **limbs**,  
but, Sergio lives in his watery world  
with narwhals and dolphins who **swim**.
