## Wise County Public Schools Case Study

### 1. Tell us about the students who were in this case study.

Answer: Pre-K 3 and Pre-K 4. Ages 3, 4 and 5. Up to 20 children

### 2. How did you use Alive Studios' resources with the children?

Answer: We used the Letters alive alphabet cards for Morning Message; We used Letters alive and all the included Zoo Keeper ABC Boot Camp resources and activity sheets for literacy large group; we used the letter and number Journals during center time with the iPad; and, we used Rugs alive during center time to take pictures with the animals and discuss the letters.

### 3. What are the ELA Skills that you measured with your students to prove success in this Study?

Answer: We checked the children on letter recognition and sound recognition. We also checked them on writing letters and numbers correctly in the journals.

### 4. Overall, how did you and the students like Alive Studios' supplemental resources?

Answer: We loved it all!

### 5. What was your favorite aspect of the program? What were your students' favorites?

Answer: I liked that all resources worked together each week to teach a letter. The children loved seeing the animals in action and learning what they each can do.

### 6. Why do you think the program was so successful for your learners?

Answer: It was so fun, which got them completely engaged.
