

LET'S GET READY FOR KINDERGARTEN

Activities can be done in any order. If your child enjoys one or you can see that it is beneficial, do it again! Do the ones that appeal to your child...AND YOU!

Links are green and underlined

MATH MONDAY

JACK HARTMANN

Listen to Jack Hartmann Math songs to have fun counting and learning about numbers!

ZOO CREW COUNTING SONG

Move and groove with the Zoo Crew as they count to 100!

TACTILE TUESDAY

PRACTICE SCISSOR SKILLS

Open shut, open shut, that's the way we cut, cut, cut. Fingers on the bottom, thumb on top, do not let the paper drop!

WORD WEDNESDAY

I SPY..

Play I Spy with things that start with letter sounds. Ex. I spy something that starts with /b/.

THOUGHTFUL THURSDAY

GERDY GIRAFFE NEEDS YOUR HELP!

FUN FRIDAY

COUNTING COINS

JACK HARTMANN: THE MONEY SONG

Find pennies around the house. Count pennies by 1s.

COUNTING COLLECTIONS

Grab a handful of pennies, Legos, Q-tips, or anything that 5 or more will fit in your hand. Put them in groups of 5 as you count.

BUTTON UP!

Practice buttoning and unbuttoning clothing like pants, shorts, and jackets!

CRAYON RESIST

Crayon resist is a great way to practice color words, sight words, or name! If you don't have watercolor paints, use markers!

FAVORITE SUMMER DAY

What is your favorite summer day you have ever had? OR What would your favorite summer day be? Draw a picture and tell me about it.

PAINT THE SIDEWALK

Draw squiggly lines on a sidewalk or driveway. Use a paintbrush and water to paint the squiggles and work on gross motor skills.

ROLL AND SPRAY

You'll need a spray bottle with water, chalk, and dice. Write the numbers 1-6 on the sidewalk. Roll the dice, say the number, find it, then spray it so it disappears.

TIE YOUR SHOES

Practice tying your shoes. Watch this [cool video on how to tie the fastest knot, called the Ian Knot!](#)

JACK HARTMANN:

Listen to Jack Hartmann Rhyming songs to have fun, exercise & rhyme!

FAVORITE ANIMAL

What is your favorite animal? If you could be your favorite animal for the day, what would you do? Where would you go? Draw a picture and tell about it.

KA-BOOM STICKS

Click the link above to found out how to reinforce multiple skills with a simple game!

GRAB & COUNT

Grab a handful of Legos, cotton balls, rocks, marbles, or something that allow for no more than 10. Touch each as you count.

PLAYDOUGH NOT PAPER!

Playdough is very versatile. Roll out thin noodles and practice spelling word families, sight words. Other ideas: geometric shapes, numbers, groups of 10...

KOOL-AID PLAYDOUGH RECIPE

WORD/NAME ART

WHAT DO I THINK?

WATER DAY!

Have fun with water! Fill a bowl with water and use a sponge to soak up the water from the bowl then squeeze it into an empty bowl. Use a timer to see how fast you can transfer the water!

ROLL & COUNT

Roll the dice and count small items to match the number rolled.

VIRTUAL DICE

SILLY SUMMER SNACKS

Use a recipe (check out the link or look for more) to measure and make simple silly summer snacks. Math Vocabulary: half, whole, more, less, measure (count items if possible)

SHAVING CREAM LETTER & WORDS

Use shaving cream to practice writing your name, letters, and words.

THE POWER OF YET

Draw a picture of something you are learning to do, but you cannot do it YET! Put it where you will see it everyday. Sign it and celebrate the day you can!

SCAVENGER HUNT!

Go on a hunt for colors, animals, letters, numbers, etc.!
